The non-exclusive publication rights to the contribution to the Proceedings of the Student Conference 2024 identified above are transferred to Infinite Science Publishing (hereinafter called Publisher). This transfer of publication rights covers the non-exclusive right to print, publish, and distribute the said Contribution and parts thereof, including all revisions or versions and future editions thereof and in any medium, such as in its electronic form. The Publisher will take, either in its own name or in that of the Author, any necessary steps to protect these rights against infringement by third parties.

The Author may self-archive an author-created version or the publisher's PDF version of his Contribution on his own website and his institution's repository.

The Author warrants that the Contribution is original except for such excerpts from copyrighted works (including illustrations, tables, and text quotations) as may be included with the permission of the copyright holder thereof, in which case(s) the Author is required to obtain written permission and to indicate the precise source. The Publisher has the right to permit others to use individual illustrations within the usual limits. The Author warrants that the Contribution has not heretofore been published in whole, that it contains no libelous statements and does not infringe on any copyright, trademark, patent, statutory rights or proprietary rights of others.

The Publisher will enable authors to further disseminate their research results. In particular, excerpts from the work or the work in whole may be published at conferences, in conference proceedings and scientific journals provided that this is done with reference to the work in the Proceedings of the Student Conference 2024. This does not require any further approval by Infinite Science Publishing.

The Author agrees to upload the Contribution to the Microsoft CMT (Microsoft's Academic Conference Management Service: <https://cmt3.research.microsoft.com/About>). With the upload the author agrees to the Microsoft Services Agreement: <https://www.microsoft.com/en-us/servicesagreement/>.

The Corresponding Author signs for and accepts responsibility for releasing this material on behalf of any and all Co-Authors.
